

## Hello CYF Families

Welcome to a NEW season of **CYF**. We hope you have had a chance to read the first **CYF** letter distributed in last week's Sunday School class. These letters are designed to provide you, (the families) with important dates, events and happenings at Covenant. It will also provide you an overlay of the class materials.

All of the bible study classes are set on rotations of 3 weeks. A different segment of the Bible is taught each rotation. Rotation **one** (September 11-25) was **The "Found" Stories**. Please check the bulletin board in the church office to see each week's rotation study.

Do you know the shepherds who escorts the children to their classes on Sunday? Or the teachers who instruct their Bible lessons? We will help you out. This past Sunday's shepherds were **Ann Williams** and **Jim Miller**. Teachers were **Carol Clint** and **Jules Tryk**. They are all volunteer members of the Covenant.

**Parents, Grandparents, Aunts, Uncles** the **CYF** needs your help. How about being a: shepherd or teacher. You can receive personal instruction if you would like to try either of these. We do need your help! Email Jim Miller ([percruiter@amertech.net](mailto:percruiter@amertech.net)) or John Marsh ([marsh@amertech.net](mailto:marsh@amertech.net)).
